CONSTITUTIONAL AMENDMENT NO. 44 AN AMENDMENT TO THE CONSTITUTION PROPOSED BY THE LEGISLATURE AN ACT SUBMITTING TO THE QUALIFIED ELECTORS OF MONTANA AN AMENDMENT TO ARTICLE VIII, SECTION 13, OF THE MONTANA CONSTITUTION TO ALLOW UP TO 25 PERCENT OF CERTAIN PUBLIC FUNDS TO BE INVESTED IN PRIVATE CORPORATE CAPITAL STOCK; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE. The 2007 Legislature submitted this proposal for a vote. This measure would amend the Montana Constitution to allow up to 25 percent of all state trust fund assets to be invested in private corporate capital stock. Currently, the Constitution allows only Retirement Funds and Workers' Compensation Insurance Funds to be invested in private corporate capital stock. In the short term, it is expected that income will be reduced while trust monies are transferred from bonds to stocks. In the long term, if historical investment performance continues, trust fund income may increase because aggregate stock values are expected to appreciate, while bond values do not. <input type="radio"/> FOR allowing up to 25% of all public funds presently restricted to fixed income investments to be invested in private corporate capital stock. <input type="radio"/> AGAINST allowing up to 25% of all public funds presently restricted to fixed income investments to be invested in private corporate capital stock.	INITIATIVE NO. 155 A LAW PROPOSED BY INITIATIVE PETITION I-155 establishes the Healthy Montana Kids plan to expand and coordinate health coverage for uninsured children under the Children's Health Insurance Program (CHIP), the Montana Medicaid Program, and employer-sponsored health insurance. The State Health Department may: raise income eligibility levels for children under CHIP and Medicaid; simplify transitions between CHIP and Medicaid coverage; provide assistance for children in employer-sponsored insurance; and work with health care providers, schools, organizations, and agencies to encourage enrollment of uninsured children. Funding for I-155 will come from a share of the insurance premium tax and federal matching funds. I-155 costs an estimated \$22 million of state funds, paid from the treasury with a share of current revenues from the insurance premium tax. Actual expenditures will depend on other factors, including the amount of federal matching dollars and enrollment.
